### Presentation

Johana focuses on Energy & Infrastructure. She works on energy, natural resources and infrastructure-related projects in Africa and regularly advises state-owned companies and private investors in all aspects of their projects, including commercial and regulatory activities.

Johana has a solid experience in mining projects, as she has been involved in challenging transactions which has given her a broad overview of the mining sector in countries like Côte d'Ivoire, Guinea and the Democratic Republic of the Congo. Recently, she has developed an experience in the banking and finance sector, therefore combining a double expertise in both transactional and finance activities.
