Présentation

Yvette has worked on various commercial transactions including capital markets, mergers and acquisitions (M&A), project finance and energy and infrastructure projects.

She worked on the preparation of a business plan to develop up to 350MW of geothermal power under a government-to-government arrangement and the financing of one of the first road annuity projects in Kenya.

She also has experience in Islamic finance transactions, Islamic Capital Markets and the legal aspects of building various technological solutions and has been part of the team advising an Islamic bank which was requested to act as a n escrow agent on behalf of an Islamic bank in Saudi Arabia.

She is currently advising a telecom infrastructure provider having its headquarters in Mauritius on its project financing transaction with a value of over USD 40 Million.
