Practices Dispute Resolution & International Arbitration, Labour & Employment

Presentation

Billy specialises in advising and representing clients in employment and labour disputes, constitutional & judicial (administrative) review, banking and commercial litigation, land disputes, public procurement, insolvencies and insurance law.

Billy has handled matters in the Court of Appeal, the High Court, the Employment & Labour Relations Court and the Environment and Land Court.

He has represented Kenya Ferry Services in a dispute seeking to stop the construction and commissioning of two new ferries in a project worth in excess of KES 2.4B.

He has also acted for one of the premier hotels in East Africa with assets in excess of KES 4B in a winding up petition and successfully stopped the liquidation from taking effect.

In addition, he has represented a client in a suit to stop a bank from selling any of its properties to recover in excess of USD 26M as a result of security documents allegedly held by the bank for financial advances allegedly made to the company.

He represented the Kenya Ports Authority in a petition by Container Freight Stations seeking to quash KPA's decision to rail cargo from the port to the Inland Container Depot in Nairobi. The value of the subject matter is in excess of USD 100M.
